

The League of Women Voters (LWV) is not just for women. Any person of voting age may join. LWV is a laboratory in democracy, a training ground for direct involvement in the political process. Issues we act upon are chosen by the membership in grass-roots fashion. We maintain our credibility by studying and achieving consensus on individual issues before we act.

Volunteer Opportunities – There are many ways to volunteer and make a difference through League.

Admin Team:

_____ Serve on the Board of Directors for the League of Women Voters of the Pikes Peak Region

Membership Team: Works to increase membership and track member dues and skills

- _____ Help plan annual “Meet the League” event, generally in November
- _____ Maintain database of individual member skills and interests
- _____ Contact members when it is time to renew (each September and into the fall)
- _____ Encourage League membership and involvement

Communications Team: Plans, prints, and distributes major member materials

- _____ Help write and/or proofread the member handbook, generally in the fall
- _____ Create and/or maintain all or portions of the history of our local League
- _____ Help maintain the website, www.lwvppr.org, and social media (Twitter, Facebook)
- _____ Help edit the monthly *Voter* (our newsletter)

Fundraising Team: Generates funds to spend on annual activities

- _____ Help plan special fundraising events

Voter Service Team: Works on voter registration and education projects

- _____ Help register new voters
- _____ Help plan and conduct community candidate forums and issues forums
- _____ Serve as a speaker on League matters at meetings of other organizations
- _____ Take orders for, and distribute, our annual ballot issue (pros/cons) pamphlets

Advocacy Team: Work to implement positions on which the League has reached consensus

- _____ City/County Government (push for fair and ethical government at the county level)
- _____ Environment (work to maintain the air and water quality, as well as water supplies)
- _____ Transportation (work for better modes of transportation to serve the entire region)

Observer Corps: Watch our local government in action and report back on key issues

- _____ Board of County Commissioners
- _____ City Council
- _____ School districts
